Announcing a brand new website for the motorcycling community. WhatsUpBiker.com !

WhatsUpBiker is a comprehensive events listing of biker events for the entire USA & Canada. It is also a place for bikers and their adoring public to gather and interact socially. Bikers are encouraged to visit regularly to see what's up and new in their area, and while there, spend some time interacting with other bikers in the "Social Corner".

A simple registration gives you access to the "Social Corner" where you can converse with other bikers, upload your biker-related pics and enjoy numerous other features the website has to offer. The Social Corner has a feel of familiarity, as its design is aligned somewhat with Facebook!

The best part about WhatsUpBiker.com is it is **TOTALLY FREE!**

Log in to today and post your biker event at **[WhatsUpBiker.com!](http://WhatsUpBiker.com)**
